

Announcing Land Records Search availability for Apple's iPad

Kendall County Land Records are now available for searching and viewing on the Apple iPad

Visit www.kendallcountyrecorder.net using the Safari web browser on the iPad, and select "Land Record Search" on the left side menu.

The index information and document images are available in the same way as they are on a regular PC.

Use TWO FINGERS to scroll through the pages of the documents.

Use PINCH to zoom in and out on the document.
